PERSONAL INFORMATION

Holder of a Master's degree in Social and Sustainable Enterprise Management (HEC Liège), I have been working for over a year as Department Manager at Decathlon in Verviers. This first professional experience has allowed me to develop strong skills in team management, performance monitoring, sales, and commercial animation.

Motivated, dynamic, and eager to take on a new professional challenge, I now wish to put my skills to work for an organization that shares my values and offers real opportunities for development.
